Re: CITY AND COUNTY OF AMADOR VACCINATION AND MASK POLICIES

CONDITIONAL ACCEPTANCE

- READ CAREFULLY -

With regard to vaccination and face covering policies dated [July 12, 2021], updated July 31, 2021, wherein you stipulate I must submit my vaccination status and vaccination documentation to the Department of Human Resources (DHR) and must undertake medical intervention including wearing a face covering, taking a COVID test and/or receiving a COVID-19 injection as a condition of my continued employment with the CITY AND COUNTY OF AMADOR, I hereby conditionally accept your offer to comply upon proof of the following points:

- 1) Upon proof of claim that these requirements are not made under threat, duress, and/or coercion of potential discipline and/or termination of employment, and further;
- 2) Upon proof of claim that you have not committed a crime in attempting to extort from me any personal, private property and medical information by means of threat, duress, and/or coercion, and further;
- 3) Upon proof of claim that you do not lack lawful authority to mandate forced release of private medical information or to impose medical interventions on me, including face coverings, medical tests or injections as a condition of my employment, and further;
- 4) Upon proof of claim that you do not lack the authority to require me to sign a release of liability for a test procedure or injection into my body as a condition of employment which would cause me to lose my right to damages and Worker's Compensation pursuant to the Equal Employment Opportunity Commission (EEOC).
- 5) Upon proof of claim that the [CITY AND COUNTY OF AMADOR Health Order (No. ABC123), updated August 5, 2021] LAWS upon which the CITY AND COUNTY OF AMADOR DEPARTMENT OF HUMAN RESOURCES bases its Vaccination and Mask Policies are not unconstitutional as applied to me, and further;
- 6) Upon proof of claim that the information upon which you and your agency have based these policies is not erroneous, hearsay, based upon mere assumption(s), presumption(s), lies or propaganda, and further;

- 7) Upon proof of claim that American society is not based upon the “rule of law” rather than arbitrary and capricious “orders,” “rules,” “dictates,” or “mandates,” and further;
- 8) Upon proof of claim that I am subject to such “orders,” “rules,” “dictates,” or “mandates,” and further;
- 9) Upon proof of claim that any and all health “mandates” you promote and impress are not an unlawful attempt to impose them upon me, and further;
- 10) Upon proof of claim that the health “mandates” you promote and impress have been passed and signed through the California State Legislature and/or Congress pursuant to Article I of the Constitution for the united States of America in order to be true and actual Law, and further;
- 11) Upon proof of claim that any state “law,” “measure,” “policy,” “order,” “ordinance,” “mandate,” or “rule” is not null and void if in conflict with the Constitution of the State of California and/or the Constitution for the united States of America. (**Marbury v. Madison 5 US 137 (1803)**) and;
- 12) Upon proof of claim that I do not have and hold private property rights, and that both the Constitution of the State of California and the Constitution for the united States of America do not promote, support and protect private property rights; and further;
- 13) Upon proof of claim that mandating I declare my vaccination status and submit my vaccination documents as a condition of employment is not a violation of my rights under the 4th Amendment of the Constitution for the united States of America, and further;
- 14) Upon proof of claim that I do not have unalienable, God-given, and constitutionally secured and protected Rights, Privileges and Immunities that you cannot lawfully interfere with, and that you are not attempting to seize my unalienable right to be secure in my person and effects, and further;
- 15) Upon proof of claim that you did not take and subscribe the oath or affirmation to support and defend both the Constitution for the united States of America and the Constitution of the State of California pursuant to Section 3 of Article XX, and further;
- 16) Upon proof of claim that you have not misrepresented your official title and capacity to me, and that you are not conducting yourself under Color of Law in violation of Title 18 USC 241, 242 and other titles affording me constitutionally secured, guaranteed and protected free exercise of rights, and further;
- 17) Upon proof of claim that your policies are not in violation of federal anti-discrimination laws, including but not limited to US Civil Rights Act of 196 and the Americans with Disabilities Act of 1990, and further;
- 18) Upon proof of claim that requiring me to wear a face covering as a visible symbol of my vaccination (medical) status will not subject me to harassment, discrimination, censure or retaliation of any kind from my superiors, peers, clients or the public, and further;
- 19) Upon proof of claim that the new DEPARTMENT OF HUMAN RESOURCES vaccination and mask policies are not in violation of our union contract and do not require negotiation before taking effect, and further;
- 20) Upon proof of claim that the potential risks and negative impacts of wearing face coverings, participating in testing or receiving COVID-19 injections do not outweigh the benefits to me, and further;
- 21) Upon proof of claim that the inventor of the PCR test, Kerry B. Mullins, did not did not adamantly and publicly state, “*It was never designed to detect infectious diseases,*” and that it cannot determine if an individual is infected, sick, healthy, contagious or asymptomatic, and further;

- 22) Upon proof of claim that vaccine manufacturers have not been charged with and lost multiple class action lawsuits, having intentionally and/or negligently misrepresented the safety and efficacy of their products, and that they have not misrepresented the purpose, safety and efficacy of COVID-19 injections, and further;
- 23) Upon proof of claim that vaccine manufacturers or pharmaceutical industry did not eliminate the possibility for controlled double-blind placebo studies on the COVID-19 injections by vaccinating the placebo group after only a few short weeks, making the true long-term profiles of these products impossible to determine, and further;
- 24) Upon proof of claim that you have not failed to thoroughly research the COVID-19 injection in order to determine if they have been fully tested and proven entirely safe for me, and further;
- 25) Upon proof of claim that the statements and claims made in your email to the CITY/COUNTY OF AMADOR employees dated July 31, 2021 and DEPARTMENT OF HUMAN RESOURCES Vaccination and Face Covering Policies regarding the necessity and effectiveness of these medical products are not in violation of the Federal Trade Commission Act, 15 U.S.C. § 41 et seq. and further;
- 26) Upon proof of claim that you have not failed to produce documentation and evidence showing how and when the Centers for Disease Control and Prevention obtained jurisdiction over me and the people of the CITY AND COUNTY OF AMADOR to dictate health procedures, and further;
- 27) Upon proof of claim that **the common face masks and COVID-19 test swabs** do not contain some or all of the following ingredients:
- Formaldehyde
 - Aniline
 - Cobalt
 - Artificial fragrances
 - Ethylene oxide
 - Graphene oxide;
- AND/OR that any or all of these ingredients are not dangerous or damaging to my health, and further;
- 28) Upon proof of claim that **COVID-19 injections** do not contain some or all of the following ingredients:
- Recombinant adenovirus expressing SARS Cov-2 spike protein
 - mRNA coding
 - Graphene oxide
 - Sucrose
 - Lipids
 - (4-hydroxybutyl)azanediylbis(hexane-6,1-diyl)bis(2-hexyldecanoate);
 - **(PEG) 2**[(polyethylene glycol)-2000]- N,N-ditetradecylacetamide
 - **(PEG) polyethylene glycol-2000 dimyristoyl glycerol [DMG]**
 - 1,2-distearoyl-sn-glycero-3-phosphocholine
 - SM-102
 - Cholesterol
 - Salts
 - 4-potassium chloride
 - monobasic potassium phosphate
 - sodium chloride
 - dibasic sodium phosphate dehydrate
 - Excipients/Adjuvants/Metals
 - Aluminum
 - Thimerosal (mercury)
 - Oils

- Other Ethanol
 - Polysorbate-80
 - Biological material from, and/or use of, aborted fetal cell lines
 - Squalene
 - Preservatives, stabilizers, emulsifiers
 - Components isolated from bacteria, synthetic DNA-virus, animal products
 - Bovine serum
 - Remnants of vaccine production (bacterial and viral particles)
 - Acidity regulators (e.g., succinic acid and disodium adipate)
 - Ovalbumin
 - Gluteraldehyde
 - Formaldehyde
 - Antibiotics (e.g., neomycin, polymyxin B, streptomycin, gentamicin, kanamycin)

AND/OR that these injections are not dangerous AND/OR damaging to my health, AND/OR that injecting them into my body would not violate my dietary or religious practices, and further;

29) Upon proof of claim that you have not failed to provide, post and/or distribute **Hazardous Material Data Sheets** for the materials and ingredients used in the face masks, COVID-19 tests and COVID-19 injections in accordance with **OSHA Code 1910.100(b)(1), Title 8 of the California Code of Regulations** and the CITY AND COUNTY OF AMADOR Injury and Illness Prevention Program, and further;

30) Upon proof of claim that you have not failed to consistently monitor the thousands of severe adverse reactions and deaths reported the **Vaccine Adverse Event Reporting System (VAERS)** for the COVID-19 injections and that you have not failed to rule out that these reactions were caused by, or a direct result of, the injections, and further;

31) Upon proof of claim that you have not failed to provide me with informed consent regarding all potential, proven and/or unknown risks of these medical interventions, which include but are not limited to:

- Dangerously low levels of oxygen in the bloodstream
- Dangerously high levels of carbon dioxide in the bloodstream
- Depression
- Anxiety
- Suicide
- Severe anaphylaxis
- Myocarditis
- Cardiac arrest
- Stroke
- Autism
- Miscarriages
- Infertility
- Birth defects
- Chronic or acute autoimmune disorders such as blood clots or cytokine storm
- Chronic or acute neurological disorders such as Guillain Barre Syndrome and Bell's Palsy
- Severe complications from Antibody Dependent Enhancement (ADE)
- Death

and further;

32) Upon proof of claim that you have not presently failed, and will not fail in the future, to properly investigate, record, report and post to all CITY AND COUNTY OF AMADOR employee illnesses

related to the DEPARTMENT OF HUMAN RESOURCES Mask and Vaccine Policies in **VAERS** in accordance with California Code of Regulations Title 8, Section 3203 and the CITY AND COUNTY OF AMADOR *Injury and Illness Prevention Program*, and further;

- 33) Upon proof and claim that taking a COVID-19 injection will not catalyze a lifelong neurodegenerative process, disorder or disease by poisoning and disabling my brain, and further;
- 34) Upon proof of claim that taking a COVID-19 injection will not now, or in the future, disrupt or interfere with the proper function of my body, and further;
- 35) Upon proof of claim that if I take a COVID-19 injection, I will not subsequently contract COVID-19, become ill or die from COVID-19, or transmit COVID-19 to others, and further;
- 36) Upon proof of claim that my own natural immune system and antibodies are not safer, more effective and longer lasting than these “mandatory” medical interventions, and further;
- 37) Upon proof of claim that face coverings, COVID-19 tests and COVID-19 injections are not ALL designated by the US Food and Drug Administration (FDA) as Experimental Use Authorization (EUA) products, and further;
- 38) Upon proof of claim that mandating the use of Experimental Use Authorization (EUA) products as a condition of my employment and/or without my informed consent is not a violation of **Title 21, Section 360bbb-3 of the Federal Food, Drug and Cosmetic Act**, and further;
- 39) Upon proof of claim that mandating these experimental interventions as a condition of my employment and/or without my informed consent is not a violation of the **Nuremburg Code and the US Department of Health and Human Services Title 45 CFR part 46**, the ethical guidelines for biomedical research wherein it is forbidden to coerce, influence or force any human being to take any experimental medical treatment and that fully informed consent is mandatory, and further;
- 40) Upon proof of claim that in mandating I undertake these medical interventions as a condition of my employment, whether they are under EUA designation **OR** full FDA approval, you are not practicing medicine without a license in violation of **Division II, Chapter V, Article III of the Business and Professions Code**, and further;
- 41) Upon proof of claim that mandating I undertake these medical interventions as condition of my employment whether they are under EUA designation or full FDA approval is not a violation of my me constitutionally secured, guaranteed and protected free exercise of rights, including God-given right to bodily sovereignty, and;
- 42) Upon proof of claim that you are not unwilling to accept full liability in your personal capacity for any and all financial, physical and/or mental health problems that I might personally experience resulting from compliance with these “mandatory” requirements.

Your timely response within 10 days of receipt of this Conditional Acceptance must be in affidavit form, under your full commercial liability, rebutting each of the points of the undersigned, on a point-by-point basis, that the facts contained therein are true, correct, complete and not misleading. Declarations are insufficient as declarations permit lying by omission, which no honorable draft may contain.

With explicit reservation of all my unalienable natural rights, constitutionally secured and protected under Article IV, section 2, clause 1, and any other Rights, Privileges and Immunities I may have, with none waived, and without prejudice.

Very Truly, in propria persona, Special Status,

[First and Last Name], in sui juris
